Meet Catherine!

We're delighted to introduce Catherine to you as part of the Gaia Learning team as our Operations Executive & HR Lead.

Operations Executive & HR Lead

Catherine is our Operations Executive & HR Lead, looking after the day-to-day operations and people across Gaia Learning. She holds two degrees from the London School of Economics (LSE) in Management and Corporate Law, bringing a strong organisational background and a clear, practical approach to keeping everything running smoothly behind the scenes.

At the heart of her role, Catherine coordinates our academic operations, managing educator scheduling and session allocations. This work helps bring learners and educators together, supporting continuity in our sessions and making sure the arrangements behind each learning day are carefully coordinated.

Catherine also manages the main info@ inbox and parent communications, helping families connect with Gaia and keeping information moving between the people who need it. From everyday enquiries to practical arrangements, this is an important part of keeping our school community informed and supported.

Alongside this, Catherine leads educator recruitment and onboarding, coordinating the steps involved in welcoming new educators to the team. Her role brings together the practical details of operations and the people who make Gaia what it is. Catherine is deeply dedicated to her role and passionate about inclusion, helping ensure our team has what it needs to support learners and families.

Outside Gaia, Catherine loves spending time with her family, going on long walks and playing tennis. She is also kept busy by her gorgeous Havanese called Truffles, who is always ready for an adventure!
