Meet Sabah!

We're delighted to introduce Sabah to you as part of the Gaia Education team as an Educator.

Science, Maths & Geography
Global Perspectives &
Interest-based Learning Educator

Sabah is a qualified Science and Maths teacher with over 10 years of teaching and tutoring experience. She holds a BSc (Hons) degree and a PGCE, and is passionate about making learning engaging, accessible and enjoyable for all students.

Sabah teaches Science, Maths, Geography and Global Perspectives, as well as interest-based learning sessions. She is committed to continuous learning and enjoys discovering new places, embracing new experiences and broadening her perspective.

Alongside teaching, Sabah works as a freelance magazine writer, producing articles on travel, health, politics and sport.

Outside the classroom, Sabah enjoys travelling, scuba diving, learning new languages and volunteering. She loves exploring different cultures and the opportunities they bring to learn and experience something new.
