Meet Shelby!

We're delighted to introduce Shelby to you as part of the Gaia Education team, teaching Arts, PSHE, English and interest-based 1-2-1 sessions.

Arts, PSHE & English Educator
Interest-based 1-2-1 sessions

Shelby started with the Gaia educator team in September 2025. Shelby works with learners, teaching Arts, PSHE, English and interest-based 1-2-1 sessions. Shelby is warm, welcoming and always has a smile on her face.

With six years of experience in education, Shelby began her career as a Creative Arts teacher in a mainstream secondary school and has also taught English as a Second Language (ESL) online. She is passionate about education and is always looking for new ways to learn and share knowledge.

Creative, adaptable and patient, Shelby shapes her teaching around each learner. Hearing about her learners' passions is a highlight of her role: she loves discovering what they enjoy and finding ways to bring those interests into their sessions.

Outside Gaia, Shelby enjoys cooking, going to the cinema and getting stuck into creative projects. She is currently knitting a blanket! She also loves travelling and has visited 37 countries so far.
