Meet Helyn!

We're delighted to introduce Helyn to you as part of the Gaia Learning team as our Commercial Operations Co-ordinator.

Commercial Operations Co-ordinator

Helyn joined Gaia Learning in September 2025, bringing with her experience of working in school settings in both teaching assistant and administrative roles.

Having worked directly with children and families, Helyn understands the importance of providing a supportive and inclusive learning environment where every child has the opportunity to thrive.

In her role as Commercial Operations Co-ordinator, Helyn works behind the scenes to support the smooth running of Gaia, working closely with families, schools and Local Authorities to help learners access the education and support they need.

As a parent herself, Helyn feels a strong connection to Gaia's values and is passionate about ensuring every child has the opportunity to learn in a way that works for them. Her friendly, caring approach and commitment to helping others make her a valued member of the Gaia team.

Outside of work, Helyn enjoys spending quality time with her family, getting creative with crafting projects and enjoying walks with her dogs.
